We continue this Sunday with the third in the series of sermon entitled "Minor Prophets - Major Message."

This week we will be looking at the prophet Hosea. I am giving you this heads up for a reason. I know that some of you read the book after I have preached the sermon. That is okay but Hosea is a long book and we all may be interested in a game on Sunday afternoon. I would suggest getting a start on Hosea now.

Go Chiefs! — Steve

Starting with this newsletter, both monthly and year-to-date offering data will be reported at the end of each month.

With the increase in electronic giving and disruptions caused by the pandemic, reporting weekly offerings has become both difficult and somewhat unreliable. — Stephen M.

2020 Giving Statements

Due to the extreme pandemic conditions this year, and with the suspension of in person worship starting soon, I feel the practice to place the 2020 giving statements out in the hallway for the congregation to pick up is not the best way to handle the statements.

The last few years I bring most of them back home to throw away. This year, to save wasting paper, time, staples and a huge postage bill, I would kindly ask, if you want, or need a giving statement, please go to the church website at www.fairviewcc.org on the home page there is a tab for "2020 Request Giving Statement", click on it, then fill out the form and click the submit button at the bottom.

You can request either US Mail by putting in your address or just put in your email to receive it electronically. If you have trouble, please reach out to me, Chris H.

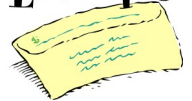

Thanks for your understanding. Blessings to all and stay safe. — Chris H.
