CHURCH GROWTH OPPORTUNITIES

Pastor Travis has been encouraging us to get out and to get to know our community. We are taking the next step and planning ways to be part of Gladstone activities this summer. Concrete plans are still in progress but we wanted to let you know the events and dates we are looking at. We will be making the plans but will need people to help in every way possible. Where could you fit in?

June 5 Election Day , Welcoming voters, giving directions, replenishing cookies, and maybe some opportunities will arise to talk about Micah Ministries, Connect, and our church just by answering questions that are asked. This is an easy way to get used to just talking with people. Do this with a "church buddy"!

June 9 Drive-In Movie @ Linden Square "Despicable Me 3" We will provide a fun coloring activity for kids and families to do before (and during) the movie! Great chance to get out and meet community members!

June 22-23 Food, Art, Drink This is a new event to Gladstone, it will include Bands, Art Displays, Food and Drink. We will have a table, some water to pass out and different ways to show Gladstone what we are about with an emphasis on Connect.

July 14 Drive In Movie @ Linden Square "CoCo"

July 28 Kids Fest 9-1pm, School Supply Giveaway 10-2pm, Cutie Pie Triathlon. We are going to be helping giveaway School Supplies again this year. The list of supplies needed will be out soon. We will brain storming ideas on how to help with the Kids Fest.

There are many music events on Friday nights that we are looking at attending as well.

We will be working hard for Fairview this summer; won't you help when and where you can? Contact the committee members for more details and to confirm you'll be involved.

There is a Regional goal of \$25,000 to help start new churches and transform existing ones!

"Planting a church can make a huge and lasting impression in the community it serves," says

Terrell L. McTyer, minister of New Church Strategies and church planter.

"By empowering the oppressed, praying for the disenfranchised, caring for the poor & promoting hope in a fragmented world, the church can literally help change the world," he adds.
