History:

The Salvation Army's Turkey Day radio-thon was founded by radio legend David Lawrence of 61 Country fame. The first Turkey Day was held in 1983. That first year netted ten turkeys and \$20! But in the years since, it has grown and has devolved into one of Kansas City's most beloved holiday traditions. At it's peak around 1000 turkeys were collected. The turkeys collected are used for Salvation Army feeding programs. The financial donations will be used to purchase additional turkeys.
